Be aware that there are companies purporting to offer Medical Evacuation services in Jamaica which do not actually have the capability to do a medical evacuation. These companies often have few resources and act as middle men with legitimate companies at an additional significant cost. If you encounter a company that is not on the U.S. Embassy's list, please contact the American Citizen Services Section of the U.S. Embassy at 702-6450 or at KingstonACS@state.gov for assistance. **DO NOT** provide your credit card number to a company that you have not confirmed is a legitimate Medical Evacuation provider.
